

Chapter 17: 2, 4, 15, 19, 23, 27, 29

Chapter 5: 38, 42, 43 (classify as redox, acid-base, precipitate), 50, 51, 52, 56, 106, 113

---

Here are some extra practice problems on electrochemistry covering the material in class after Homework 11. They are not due for homework or to be graded in any way, but are strongly suggested as practice for the final exam.

Chapter 19: 11 (a-d), 15 (not e), 19, 21, 27, 31, 43, 50, 61, 65, 81, 82
