Here's what others are saying:

"Where do I start? I just don't know how to thank you, Kelly, and your entire staff for all you did to make Becca and Dan's wedding so perfect! We've received nothing but compliments and positive reactions to the food, the wait staff, and the facility. When I saw those trays of salads come through the door on cue, it took my breath away! What a spectacular presentation! Most of all, I want to thank you for making it all so easy for ME! I thoroughly enjoyed the entire day without worrying about a thing. Even at the very end, your people still had energy and were so good-natured and helpful. It was amazing! Thanks to all of you, it turned out nicer than we could have ever imagined. None of us wanted it to end!" ~ Vicki Winston, mother of the bride (Wedding on October 20, 2007)

"...We cannot thank you and your staff enough for all of your hard work on our wedding. We got so many compliments from our guests. From the set-up to the food and the service, there is nothing that could have been more perfect. It was a great day because it was our wedding, but it was a perfect day because of all your hard work" ~ Michelle and Wade Garrette (Married June 9, 2007)

"Thank you so much for everything you and your League staff did to make our wedding such a beautiful, memorable event. The staff was so thoughtful and responded quickly to everyone's needs. I really appreciated your input and experience during the planning process. It really showed in how seamlessly our reception for 200 plus guests unfolded. The food was so delicious – even though it has been months, I still have people raving about the League filet and salmon. The University of Michigan has held such a special place in Ken's and my family. I'm so grateful that the League could offer such a gracious, stylish, comfortable setting to celebrate this new stage of life for us." ~ Maria Laberteaux

"It was out of a storybook – it was everything that I had ever dreamed of. Not only did the room look great, but the food was fabulous and the servers were awesome. Having the football team's own Tyler Ecker sure was a high point of the reception for the groom and groomsmen (and me too). Matt never thought Tyler would be pouring water. The Michigan Union is definitely our #1

recommendation to anyone getting married.” ~ Matt and Shauna Damman, 2007

“THANK YOU for making our wedding such a wonderful and memorable event! Your staff did a fabulous job with our ceremony and reception. The food was delicious and the room was beautiful! It was exactly what we wanted!” ~ Matt & Lindsay Moeser (Married July 7, 2007).
