

### U-M Drug Plan ID Card

You will receive two SXC member ID cards by mail. Present your new ID card to your pharmacist when filling your prescription. If you need to fill a prescription before you receive your SXC ID card, or you have lost your SXC ID card, you may print this temporary ID card, fill it out with your name and your member ID (your UMID), and present it to your pharmacist, who will ask for another form of identification. Please call SXC toll-free at 1-866-715-0874 (member & pharmacist) to request a replacement card as soon as possible.
