QUOTES FROM THE NORTH CAROLINA DRESSING ROOM:

From Coach Dick Crum:

Obviously, I feel very good about the win. We played a good football game and played like we were capable of playing.

Asked about whether Wangler or Dickey worried him more: Wangler bothered us with his passing but when he went out of the game Dickey brought in the option and we had to worry about defending that.

We were prepared to go against both quarterbacks. I wasn't surprised to see Wangler start.

Asked on whether he thought Michigan took North Carolina lightly: If you read the newspapers, they didn't. The things that I saw showed that they were serious about us. I don't think you can play for Bo and not take every game seriously.

Asked whether the North Carolina victory said anything about the Big 10: I don't think it necessarily says anything about the Big Ten. But, it does say that the Atlantic Coast Conference plays very good football.

Asked Lawrence played a very good football game. He must have had at least 100 yards rushing. He had some very good runs for us.

We played our standard passing game. We used more man in motion. Taht's a wrinkle we added.

Asked about a turning point in the game: I never thought we could drive the ball 97 yards against Michigan. We also forced several turnovers that helped us.

Asked if this was the biggest win of his career: I don't know. We had some big wins while I was at Miami.

Asked whether it was his biggest win at Carolina: I suppose so.

From tight end Mike Chatham:

Things got shaky there at the end. But we had asked the defense to do it all game and we asked them to stop them one more time and they did.

Carolina has had a history of playing well in bowl games and ending up a little short. We wanted to end that string right here.

MICHIGAN PLAYER QUOTES:

CURTIS GREER-- We respected North Carolina. Any team that beats a team like Pittsburgh is a good team. I don't think they are a better team than we are.

E.J. DICKEY-- I made some key mistakes tonight, and the turnovers hurt us. On the two point conversion attempt I hurried myself more than I should have. They lined up a couple of players on that side of the field, but the play still should have worked. I asked the referee for quiet on the play but he felt the noise was not loud enough and told us to go ahead with the play.

MICHIGAN COACH BO SCHLENBECHLER-- We're not a bad team, but we are not good enough to win. It was tough to get back in the game, with all those turnovers. We just can't do that. And missing that extra point was a crucial play. They did a good job offensively. I think they went to the Minnesota game film (referring to a question concerning UNC throwing so much to their backs). On injuries--Losing Wangler was one of those things. A good football team has to overcome that. Dale Keitz (injured knee) will probably have to undergo surgery and that was the kid they were booing. I did not think Carter stepped out of bounds, he is a unique player and a guy we try to go to. We try to go to him on the interception. He passes, runs, and does everything for us.
