Dear Jim:

It seems my staticians had just about as bad a day as the Gamecock team did against Michigan. Please make the following corrections:

Mike Hold had three interceptions, not two. Michigan's stats showing them intercepting three South Carolina passes are correct. My people credited Randle with an interception on the last play of the game, but neglected to put it down under South Carolina's offense.

That means Hold attempted 13 passes, not 12, and South Carolina's team total pass attempts was 25, not 24. Under total offense, Hold should have 27 plays instead of 26, and the South Carolina team total should be 64 plays rather than 63.

Players with stats who did not play in this game should include Keith Bing (code 08), Greg Welch (89), and Kevin Jones (42), in addition to Hardin Brown, who was properly listed.

Sorry for the foulups and I hope this fixes all the miscues.

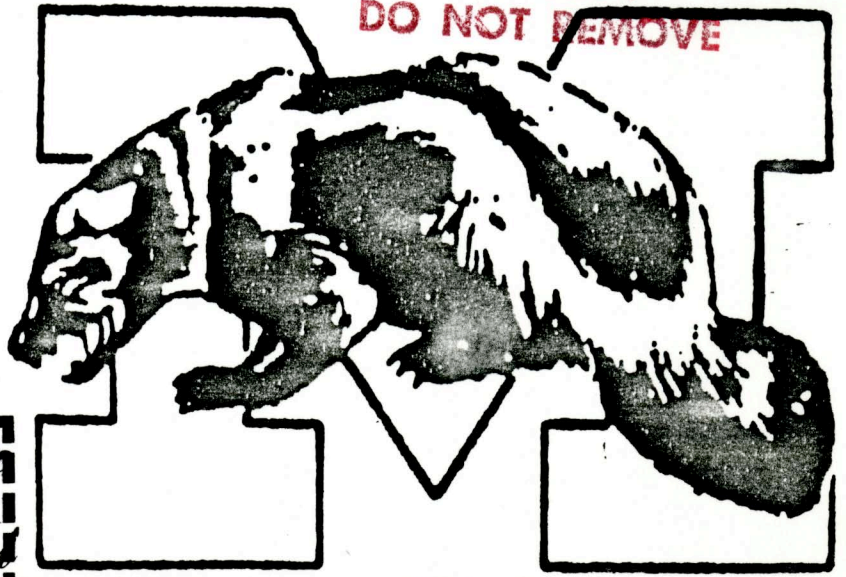

Sincerely,

Tom Price
Sports Information Director
