LOCKERROOM QUOTES FROM USC HEAD COACH LARRY SMITH:

"First of all, I'd like to congratulate Michigan. They deserved to win. In the second half, they blocked, tackled and they didn't make mistakes. In the second half, we didn't block, we didn't tackle and we made mistakes. They had it and we didn't.

(on the 47-yd FG try by USC in the final quarter): "Quin has been kicking good and we figured we'd give him a shot. It was just a bad snap. That's part of the things we did wrong in the second half. We were just slopping around out there.

"I'm not disappointed, just dashed angry.

"Lots of times we had their running game stopped for losses, but we didn't wrap them up and they made the big plays. It was just sloppy tackling. We stopped swarming to the ball.

"It seemed like we thought we had the game won. Momentum-wise, we never had a chance on offense. Our defense was on the field the whole third quarter. Then when we did get out them there, we didn't execute very well. I think our defense got tired. It was probably the most they'd been out there all year. Michigan is a ball control team, just as we are. But the dimma difference was, we weren't it just taking what was given. We me were always trying to make the big plays. That's patience and experience.

"We're a good 10-2 team, that's all. Michigan is an excellent team, very underrated, one of the top 5 in the country. They should have a great team next year. I hope we play them here again next year."

FROM DEFENSIVE TACKLE TIM RYAN:

"Our guys played hard, it wasn't a lack of effort. In the third and fourth quarter they just pounded on us. We didn't play a miximum full game, and they capitalized on the momentum change in the second half,

"It hurts bad. You dream about playing in a game like this. We wanted to win bad. I'm fortunate because I still have another year left, but the seniors can't say that."
