=====FINAL SCORE=====

ARKANSAS RAZORBACKS 31, MICHIGAN WOLVERINES 45

=====

## **Lloyd Carr – Head Coach, Michigan**

“I’d like to commend the Arkansas football team and their staff for a great football game today. It was a very entertaining game.”

“We wanted to finish the season strong after the disappointing start we had. This team had a disadvantage in that they were always going to be compared to the national championship team.”

“This team hung together in the difficult times and weeks at the beginning of the season. It showed the kind of character these young men are made of.”

On trailing in the 3<sup>rd</sup> quarter...

“After going behind, I told the team and the coaching staff we’re the Big Ten champions. Now we’ll find out just how good a team we are. We had really stopped ourselves with turnovers and penalties. I told our offensive coach to stay with the game plan and let’s try to avoid those penalties.”

On DiAllo Johnson...

“He is one of those players that makes coaching a rewarding position. He came on board as a quarterback then thought about leaving the program. We first moved him to defensive back without having much success, then in spring practice, we convinced him to try wide receiver and that and his punt returning turned him into one of our better players. He made some big plays down the stretch for us today.”

On using freshman quarterback Drew Henson...

“We used him because he is a very talented guy and we wanted to get him some bowl experience.”

On general bowl games as opposed to BCS...

“I think anytime your team gets a chance to come to a city like Orlando and be treated as well as we have and have a game experience as good as this one, it’s good. We don’t have the perfect answer to the bowl championship series yet; I don’t know if there is one.”

## **Anthony Thomas – Game MVP**

On his success today...

“My offensive line and my fullback did a great job today opening holes for me. Sometimes I missed the hole, but it turned out good.”

## **Sam Sword – Defensive MVP**

On what it meant getting that tenth win...

“The tenth win not only gives our program momentum going into next year, but for the seniors, its very nice to win your last game.”

On Arkansas offense...

“We knew they had a very balanced offense and that their quarterback was the key to their game. The quarterback made good plays today and our game plan was to try to pressure him into mistakes. I thought our defensive line did a good job today in applying the pressure.”
