The issuing of the Student Pass to exchange students, by the Immigration & Checkpoint Authority, is subject to the passing of the HIV and TB medical tests. Exchange students who fail any of these medical examinations will not be admitted and will be repatriated to their home country at their own cost.

Facilities:

To accomplish the mission of providing top quality business and management education, Nanyang Business School (NBS) has put in place the following facilities and e-learning infrastructure, all of which contribute to creating a world-class learning environment.

NTU @ One-North Executive Centre

Conveniently located at 11 Slim Barracks Rise (off North Buona Vista Road), the NTU @ One-North Executive Centre makes it easy for busy professionals to obtain MBA and executive training.

Financial Trading Room

The Financial Trading Room features cutting-edge hardware and software, including live market data feed from Reuters, to support teaching and research in financial engineering and high-tech finance.

Education Online

Many MBA courses now use edveNTUre, part of the University's initiative in e-learning. As the online courseware delivery platform, it enables instructors and participants to create an online community of learning, interaction and collaboration. Listings of course materials, communication, discussions, announcements, assessments and submission of project work or assignments can be done online.

Graduate Wing

This is a dedicated facility for MBA participants. There are ten custom-built seminar rooms designed for optimum class interaction. Discussion rooms, seminar rooms and computer facilities incorporating the latest software and hardware are available 24 hours everyday. A dedicated MBA lounge provides a setting for more casual and relaxed interaction.

NTU Library

The Nanyang Technological University Library was set up in August 1981 and it now comprises 3 component libraries, namely, Lee Wee Nam Library, Library 2 and Media Resource Library. The huge library houses an amazing collection of some 430,000 volumes. Library users also have access to an extensive range of business information resources such as Bloomberg, Dow Jones, Reuters, I/B/E/S, Datastream, the Economist Intelligence Unit, LEXIS-NEXIS and some 100 other databases, as well as thousands of electronic journals from established publishers.

Sports and Recreational Facilities

The University pursues a 'Sports for All' philosophy. Being equipped with some of the best sporting facilities that can be found in a local tertiary institution, there are numerous sporting activities going on almost

everyday. Catering to various talents and interests, these activities offer another avenue for the students to enrich their experience at the University and to meet a wider range of people.

Indoor facilities

- Multi-Purpose Sports Halls (including badminton courts)
- Activity Rooms
- Table Tennis Room
- Squash Courts
