

*Latin for Reading*  
**LESSON 3**

<b>SO FAR</b>	<b>BEGINNING WITH THIS LESSON</b>
-parts of speech: noun, verb, coordinating conjunction	-parts of speech: infinitive (sub-class of verb) and pronoun
-infinitive as part of the dictionary entry of a verb	-first use of the infinitive
-morphology of finite verb	-morphology of the infinitive, a non-finite verb
-verb of kernel as single finite form	-verb of kernel may be a combination of a finite and a non-finite verb
-lists of Latin vocabulary by part of speech	-the first of many specialized sub-lists of vocabulary (here, verbs that pattern with complementary infinitives) grouped according to morphological and/or semantic and/or syntactic criteria
-sentences expressing statements	-sentences expressing questions
