

Latin for Reading
LESSON 35

SO FAR	BEGINNING WITH THIS LESSON
-participles: imperfective active, perfective passive, future active	-another participle: the future passive
-metaphrase of gerunds	-same metaphrase for gerundive construction
-morphology of periphrastic verbs, e.g., <i>auditus est</i>	-another periphrastic: the future passive
-English equivalent of periphrastic verbs	-a “special” translation of the future passive periphrastic
-passive verbs with subjects (passive kernel)	-passive verbs without subjects (impersonal passive kernel)
-case uses of the dative -agent expressed by <i>ā/ab</i> + animate abl noun	-new case use of the dative: dative of agent
