Support Information

Enter the last name of each University of Michigan person who will be on your project team. When you have entered three characters of a person's last name, the system will look-up matches and provide you with a list from which yo can select the correct person. Once the person has been selected, the person's name, title, department or unit, department ID, and FTE level will appear as a line item.

If they have more than one appointment with the University, all of their appointments will appear as separate line items.

If you wish to remove a person from the UM Project Personnel list, click the red X box next to their name.

Role: Select a role for each person from the dropdown list to the right of their name.

Effort - Initial Budget Period: Enter the ammount of effort allocated to each of their appointments for the initial budget period.

Project Admin Dept: Select the appointment which represents the administrative department for this project.

ProPack and SF424 Access: Select "Read" or "Edit" to give them the ability to only view the Proposal Package and/or SF424, or give them rights to make changes.
