

The pilot is an opportunity for a limited group of users to “kick the tires” of Proposal Management before its release to the broader U-M research community.

Pilot participants will:

- Represent a variety of project types from several school/colleges/units.
- Receive training to prepare them to use the system.

Research Administrators from the following units have volunteered to pilot eRPM:

Unit	Name
Atmospheric, Oceanic and Space Sciences, Department of	Cheri Champoux
Biostatistics, Department of	Lori Bowden
Cariology, Restorative Sciences and Endodontics, Department of	Doreen Graden
Center for Human Growth and Development	Donna Mulkey
Dearborn UM – Dearborn, Research and Sponsored Programs	Drew Buchanan
Dermatology, Department of	Diane Fiolek
Education, School of	Katherine M Metcalf
Engineering, College of	Gary Huskey
Epidemiology, Department of	Yvonne Barber
UM - Flint Office of Research	Peggy Roddy
Ford School of Public Policy	Lori Maddix
Information, School of	Ann Verhey-Henke
Department of Internal Medicine, Gastroenterology Division	Donald May
Interuniversity Consortium for Political and Social Research	Darleen Poisson
Kinesiology, Division of	Elizabeth M Tropiano
Life Sciences Institute	Kate Blakeman
Molecular, Cellular and Developmental Biology, Department of	Colleen Vogler
Statistics, Department of	Amy Rundquist
Materials Science and Engineering, Department of	Bonni Viets
Music, Theatre, and Dance, School of	Ron Torrella
Natural Resources & Environment, School of	Mary Martinowicz
Nursing, School of	Eve Bernos
Ophthalmology and Visual Science, Department of	Erika Hauff
Pediatrics and Communicable Diseases, Department of	Ramona Kropinak
Pharmacy, College of	Pennie Rutan
Population Studies Center	Kerri-Anne Cross
Psychology, Department of	Kathy Devereux
Social Work, School of	Michelle Hall
Survey Research Center	Nick Prieur
Transportation Research Institute	Cathy Seay-Ostrowski
