Printing an Application

You can print the entire Study Application from the Study Workspace. The print version includes only the required application sections. Detail information is printed at the end of the document. You can also print individual pages of the Study Application from within the application itself.

This procedure assumes you know how to locate and open a submission from your Home Workspace.

Print Entire Study Application

Study Workspace

1. From the Study Workspace, click the Printer Friendly Version activity.

Print Window

1. Click Print.
2. Click Print.
3. Click Print.
Print Individual Pages of Study Application

Study Workspace

1. Click **Edit Study** from the Study Workspace to open the application.

Study Application

2. Use the **Jump to** menu to navigate to the desired section of the application.
3. Click **Print**.
4. Click **Print**.
