FROM THE PRESIDENT--

At the March General Meeting we will have an election of officers for next year. Just as it is your privilege and duty to vote in a city or national election, it is equally important for you to vote for the person you feel will best fulfill the duties of the office they're running for-- President, Vice-president, Treasurer, Recording Secretary, and Corresponding Secretary. In the next month, if you try to acquaint yourself with the girls running for office you'll be able to be enthusiastic, interested in the election, and better qualified to make a choice.

For those of you who are new in Dames and unaware of the mechanics of the organization--all decisions concerning Dames are made by the Executive Board which consists of 2 co-chairmen for each of the nine interest groups, 5 officers and 5 standing committee chairmen--a total of 28 girls who begin making plans in April for the following year so that Dames can offer you a stimulating and rewarding year in Ann Arbor. Then, beginning in August, this Executive Board meets once a month to carry out these plans.

Also, it is your privilege as a member of Dames to nominate by petition someone the nominating committee did not know was interested in running for an office. As stated in our Constitution, Article IV, Section 2--"Additional nominations from the general membership shall be presented by petition. Each petition must be signed by ten active members. No one may sign more than one petition for each office. All petitions must reach the President by the 25th of the month prior to the election." In this case the date is February 25th.

So why not get out and attend meetings and get to know the girls who are willing to serve as officers next year--Take advantage of your dues for the year by really participating actively in Dames during the remaining months and I'm sure you'll gain a real feeling of satisfaction!

Suzanne Hansknecht  
President
