

CINEMASCOPE ON DAMES

Sept. '67

Gazette

Lights...Camera...Action...the spotlight is now on you. Yes, as a married student, or the wife of a student or intern, you are the star of the Michigan Dames.

It is the aim of Dames to make your stay here, however temporary--or extended, especially pleasant and memorable to all of its members.

This year we have 10 interest groups from which you may choose...Book, Bridge, Child Study, Cooking, Choral, Charm and Home, Handicraft and Fine Arts, People and Places, and Sewing and Knitting. All the interest group co-chairmen have tried to plan a year's program in which everyone will be a leading star.

As the directors and producers of this year's events, we need you, the actresses, to make our picture, so be sure to pay your actor guild dues (\$5.00) and make this year an academy award winning year for everyone.

Yours truly,

Suzanne Hansknecht

MICHIGAN DAMES CHAPTER HISTORY

The national Association of University Dames was officially organized in the school years of 1920-21 by two of its chapters, Chicago and Iowa. The University of Michigan was among a group of the first chapter in 1921 to receive their charters and become active members of NAUD. And, as of 1967, there are ninety-two chapter of University Dames throughout the

United States--any of which you, as a member of Dames, are entitled to join. "Once a Dame, always a Dame" is our favorite slogan.

Your membership also entitles you to attend the regular monthly general meetings, held the second Wednesday of each month during the academic year, and any or all of the Interest Group meetings held each month.

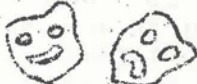

The purpose of this organization is to provide social and educational advantages for the wives of students and interns, and for student wives. You are invited to participate actively and make new friends. Any Dame whose membership has expired or any mother of a student may become an associate member upon payment of dues.

The emblem of the University Dames is the wedding ring pierced by an arrow. The ring has been used as a bond of fidelity since earliest history. The form of the ring, being circular, signifies eternal and unchanging affection. The arrow is used as a symbol of outgoing generosity and friendship.

The colors of the Michigan Chapter of University Dames are maize and blue, the same as those used by the University of Michigan.

FRIENDSHIP and SERVICE COMMITTEE

We welcome you to the University of Michigan Dames! All Dames' members are unofficial members of the Friendship and Service Committee, and we hope this year that the actual membership of this committee will reach a new high.

FROM THE DESK OF THE TREASURER

Your dues are important to your individually and to Dames as a whole. They are important to you because they entitle you to participate in all Dames activities--interest group meetings, general meetings and special events. Dames needs your dues as early in the year as possible since we cannot budget our year's expenses unless we know how much money we have to work with. Out of our budget we pay for all room rentals, the supplies and mailing of the Gazette, general meeting expenses and partial payment of special events. Dames is a self-supporting organization and use all but \$3.00 National Dues for University of Michigan Dames members.

You may pay your dues before and after tonight's meeting, at each interest group meeting during September and at the October General Meeting.

Thank you,

Karen McConkey
