Dear Golden Key Chapter Officers:

The Jumpstart initiative is fast approaching — it’s not too late to donate supplies. The Golden Key Achiever Jumpstart Kit was created as a unique program to promote the Golden Key global service mission of “Advancing Literacy” to children in need. These kits will include school supplies, materials, and information that will Jumpstart the students’ paths to academic excellence while encouraging them to attend college. We will donate 550 Golden Key Achiever Jumpstart Kits to 7th and 8th graders that attend Sylvan Hills Middle School, an inner-city middle school in Atlanta, Georgia.

We are asking all Golden Key chapters to donate preferably university branded and/or chapter branded items that can benefit this effort.

What we need:
- Pencils/Pens
- Notebooks
- Folders
- Geometry Tools – do not have to be university branded (i.e. compasses, protractors, etc.)
- University T-Shirts (Small)
- University Tote Bags
- University promotional brochures
- Encouraging notes/letters addressed to the kit recipients

Good Luck!

Golden Key International Honour Society Jumpstart Committee
