

39- BHARAT KALA BHAVAN II: RAGMALA PAINTINGS

The special work for this set, which involved photographing the paintings at the Bharat Kala Bhavan, Benares, in multiple originals, was made possible by a grant from the National Endowment for the Humanities and by the support of the Department of the History of Art of the University of Michigan. Special thanks are due to Mr O.P Tandon and his staff at the Bharat Kala Bhavan. and to Dr. Anand Krishna for their invaluable assistance, and to Patrick Young of the University of Michigan for working out the complex technical procedures for the photography. The photography team comprised Walter Spink, Suresh Vasant, Wendy Holden, Stephen Markel, Colleen Titzgerald. and Naval Krishna.
