

Historical Portraits  
5101-5200

The special work for this set, which involved photographing paintings in the Kanoria Collection, in Patna, in multiple originals, was made possible by a grant from the National Endowment for the Humanities and by the support of the Center for South and Southeast Asian Studies and of the Department of the History of Art of the University of Michigan. Special thanks are due to Shri Gopi Krishna Kanoria and Shri Vinod Krishna Kanoria, along with their family, and to Dr. Anand Krishna for their valuable assistance, and to Mr. Patrick Young of the University of Michigan for working out the complex technical procedures for the photography. The photography team comprised Dr. Walter Spink, Dr. Suresh Vasant, Ms. Wendy Holden, Mr. Stephen Markel, Ms. Colleen Fitzgerald, and Mr. Naval Krishna.
