Village India
6001

The slides in this set are keyed to the photographs published in Village India by Stephen Huyler (New York: Abrams, 1985). In some cases photographs other than those reproduced in the book have been included here, but the book captions cited would be the same. Two slides, #6026 and #6080, are not in Village India. Their labels refer them to pages of the text relevant to them and precise identifications have been included in the label sheets.
