

LOS ANGELES COUNTY MUSEUM OF ART V:
NEPALI AND TIBETAN SCULPTURE: THE EARLY PHASE
ACSAA Color Slide Project
Walter M. Spink Director

This set continues our project of documenting important art objects from South and Southeast Asia in American Museum Collections. The Los Angeles County Museum of Art has an extremely fine collection of early Tibetan and Nepalese sculpture. This set presents a comprehensive overview of most of the early material in this outstanding collection. Dr. Pratapaditya Pal has published extensive catalogues on the Tibetan and Nepalese collections in the Los Angeles County Museum of Art. All N and T #'s refer to the listings in the Art of Nepal, 1985 edition and the Art of Tibet, 1983 edition. Dr. Pal is currently planning to publish an updated catalogue of the Tibetan portion which will include the Los Angeles County Museum of Art's recent acquisitions. All dates and descriptions are by Dr. Pratapaditya Pal.

Slides #'s 1-5,10,14,52,53,61-65 and 67 are by the Los Angeles County Museum of Art photographic team. Slides #'s 9,17,23,38,39,54,58-60 and 98 are by Dr. Stephen Markel, the Indian Department of the Los Angeles County Museum of Art. All other photographs are by John Listopad, Department of the History of Art, The University of Michigan.
