Visiting Scholar

Qualifications

- PhD or equivalent evidence of professional achievement
- Research on topics related to Korea

*Application Procedure
A cover letter should be addressed to the Center for Korean Studies (CKS) and accompanied by the following documents:

- curriculum vitae in English. Please include home and business addresses, phone and fax numbers, e-mail address, date and place of birth, and a complete list of publications and professional activities.
- proposal in English outlining the research that will be undertaken while in residence at the University of Michigan. The proposal should be no more than three pages in length.
- certified statement of financial support from the applicant's place of employment, or financial institution.

*All applications are reviewed by the CKS Executive Committee.

Funding
Please note CKS is unable to provide financial support for its visiting scholars. As required by university policy, each scholar must provide the visiting department with proof of financial support during their proposed period of stay.

Mandatory Health Insurance
In addition, every visiting scholar and all accompanying dependents must have health insurance coverage that meets the standards of the University of Michigan. If you do not have health insurance, you will be required to go to the U-M International Center as soon as you are on campus and enroll in the International Student and Scholar Health Insurance Plan. If you have health insurance, you will be required to take your insurance forms to the International Center in order to receive a waiver from this requirement.

Scholarly Responsibilities
Visiting scholars affiliated with CKS are expected to participate in the center's intellectual community and are asked to submit a report on the progress of their research upon completion of their stay.

For further information, please go to the International Center.
