**I SAW EVERY MAN, EVEN a, B AND C.**

**\*I DID NOT SEE EVERY MAN, EVEN A B AND C. AND ANY WOMAN.**

**I KNOW MANY LANGUAGES, EVEN Greek.**

**I do not know many European languages>(\* even greek) or every Iroquoian language.**

**Herb saw only Joan didn't he/\*\*\*did he?**

**Herb did not interview every student (\*except Louise) = NEG > every**

**Herb did not interview every student (except Louise) = denial, = every > NEG**

**\*Herb did not interview every student, not Joan not Sally and not Ted.**

**\*Herb did not interview every student, Joan, Sally and Ted.**

**\*Herb can not just not do a damn thing.**

**Everyone would not have left**

**Everyone would have not left**

**\*Everyone except Ted would not have left**

**Everyone except Ted would have not left**

**??Ted would have not done a fucking thing.**

**Ted would have not done anything/Ted would have not done squat.**

**would have not not done not anything**

**Ted would have been given nothing**

**Ted would not have been given anything**

**Ted would have not been given anything**

**\*\*\*Ted would have been not given anything**

**Ted would have not ever been given anything**

**For everyone (\*except Ted) not to show up would be insulting.**

**For everyone (except Ted) to not show up “”**

everyone (except Ted) seems not to have shown up.

everyone (\*except Ted) doesn't seem to have shown up.

I did not see every man or any woman = I saw not every man and no woman.

I did not see every man (\*except Jon) or any woman.

I did not see every man (Bill, Jim and Tod) or any woman

I did not believe every man to have screamed.

I believed every man not to have screamed. every > NEG, \*NEG > every

I believed every man to not have screamed. bad word order but \*NEG > every

I believed every man to have not screamed. \*NEG > every

I believed every man not to have screamed. \*NEG > every

every man did not scream

[every man who I know], I am sure did not scream. \*NEG > every

every man is difficult to believe not to have screamed.

It was every man who did not scream. \*NEG > every

every man's not screaming amuses me.

every man's not having screamed is not in doubt. ?

Every man's not having been arrested is clear. ??

Every man's having not been arrested is clear \*NEG > every

Every man's having been not arrested is clear \*NEG > every

generalization ...neg can float off NEG [every X] only if arc is surface.

With no students capable of understanding anything/\*a fucking thing/\*squat,  
we had to cancel the class.

**With all our students not capable of understanding anything/a fucking thing**

**With no students having any money/\*a red cent, ...**

**The gorillas will cross the river first, with many/\*few hyenas to follow.**

**(100)a. Jane did not claim he told anyone squat.**

**b. Jane did not claim he told anyone in particular squat.**

**I THINK B. LACKS AN A-SQUAT READING.**

**DOES THIS HAVE ANALYSIS:**

**[NEG3 SOME ONE IN PARTICULAR]X IS SUCH THAT JANE DID NEG2 CLAIM THAT NEG1 HE TOLD X NEG0 SOME SQUAT.**

**IT HAS:**

**JANE NEG4 CLAIM [NEG3 NEG2 SOME ONE IN PARTICULAR]X HE NEG1 TELL X NEG0 SOME SQUAT**

**(101) Jane claimed he told no one in particular squat.**

**I think this also lacks A-squat reading.**

**(102) Jane did not claim that anyone in particular did squat.**

**(103) \*Jane claimed that no one in particular did squat.**

**(104) Jane did not claim that any student (\*in particular) did they try to hire(105) Did any student (\*in particular) turn in a fucking thing?**

**Tom proved that that theorem, no one could prove.**

**\*Tom proved that that theorem, no one could.**

**\*That that theorem, no one could, Tom proved.**

**But latter could be just Haj's no topicalization in an island observation at work.**

**But isn't it worse than:**

**That that theorem, no one could prove, Tom proved**

**Herb hit on babs...\*hit babs on.**

**\*On whom did Herb hit/Herb hit yesterday on Babs...PP unextractable.**

**Herb hit on her...shows is not particle.**

**Herb hit only on babs. \*Herb hit on only babs.**

**nobody did anything much.**

**Zeke did not do anything much.**

**Zeke did nothing much.**

**Zeke did nothing to speak of.**

**Zeke did not do anything to speak of.**

**With no students capable of reading anything/??a fucking thing/\*squat, we had to cancel the exam.**

**He found no students capable of reading anything/??a fucking thing/\*squat.**

**With no students willing to lift a finger, to do a fucking thing/\*squat**

**With no students willing to do \*squat.**

**No student was willing to do squat.**

**No student was anxious to do squat.**

**With no student willing to do squat,**

**At that time were described to themselves few men and few women.**

**\*At that time were described to any friends few men and few women.**

**\*I believe any of the proposals in question not to have a chance of passage.**

**I believe not to have a chance of passage any of the proposals in question.**

(15)a. I believed no gorillas to know any Turkic languages.

b. \*I believed to know any Turkic languages no gorillas of that size.

c. \*I believed any gorillas to know no Turkic languages

d. I believed to know no Turkic languages any of the gorillas in the freshmen class.

e. I believed (certain) not to know Spanish any of the gorillas in the class.

**He cares/wants to visit no one.**

**He \*cares/wants not to visit anyone.**

**I believe that no one does he care/want to visit.**

**I don't believe that anyone does he \*care/want to visit.**

**He doesn't want/care to criticize everyone.**

**He \*cares/wants not to criticize everyone.**

**NEG1 NEG2 care criticize NEG3 some one.**

**NEG1 needs to get deleted; it can be by scope arc.**

**scope NEG1....**

**okgilles/\*\*PMPnobody did not say anything**

**\*nobody did not ever eat that.**

**Nobody did they not ever call.**

**\*nobody did not say squat**

**\*nobody did not leave until 10**

**\*nobody did not contribute a red cent.**

**\*I forgot that he lifted a finger to help her.**

**I didn't remember that he lifted a finger to help her.**

**\*I forgot that he had helped anyone (\*but Joan).**

**I did not remember that he had helped anyone but Joan.**

**\*That he had helped anyone (but you), I really forgot.**

**That he had helped anyone but you, I did not remember.**

**I did not tell Jane to say that she contributed a fucking thing/squat to the UAA.**

**Jane did not say that she contributed a fucking thing/squat to the UAA.**

**Jane could not prove that she contributed squat to the UAA.**

**(1)a. Ted wowed the whole campus.**

**b. \*Everyone was wowed by Ted.**

**c. \*Such groups don't wow easily.**

**d \* The people in the audience remained unwowed.**

**d. \*He wowed last year several large audiences.**

**e. Hypothesis: wow takes a 3, or a 4+3.**

**f. \*the wowing of the audience by Ted**

**g. \*Ted wowed a large audience and Bob a small one**

**h. \*Although Ted didn't wow the Rotarians he did the Elks.**

**It is not my wont to X**

**\*To X is not my wont**

**as is my wont**

**\*which is my wont**

**I do so care to sing.**

**\*I do so need sing.**

**\*I need so/too sing.**

**I am surprised you care to call her.**

**\*I am surprised you need call her.**

**It is wrong to think he cares to call her.**

**\*It is wrong to think he need call her.**

**This pair correlates with: It is wrong to think he cares to do squat/\*It is wrong to think he need do squat.**

**It is wrong to think he must do squat.**

**He doesn't care to call someone. Ok NEG > some but meaning is NEG > care > SOME > call**

**He need not call someone. OK NEG > some but meaning is NEG > necessary > SOME > call**
