

SEEKING MARITIME INTERNS

International Register of Shipping (IRS) was established in 1993, it is an independent classification society working with the objective of safeguarding life, property and the environment. IRS is a provider of classification, certification, verification, training and advisory services.

IRS is opening its doors to interns. Candidates that would benefit from this experience are those studying the Maritime field such as Naval Architecture and Marine Engineering. The internship program will last approximately up to 3 months and students will gain hands on experience regarding the maritime industry as it relates to business.

HOURS: Full time/ Part time

REQUIREMENTS: Excellent writing and communication skills, knowledge of computer applications such as Microsoft Office, and good knowledge of maritime operations.

BENEFITS: Excellent working environment, office located in the heart of Miami, FL, and is a great opportunity for students to obtain quality on-the-job training before entering the work force and gives them a true insight on their profession while being acquainted with the maritime operations.

COMPENSATION: Unpaid

HOW TO APPLY: Submit a cover letter and resume directly to Daniella Padilla (dpadilla@intlreg.org)

APPLICATION DEADLINE: Open until filled

FOR MORE INFORMATION CONTACT: Daniella Padilla (dpadilla@intlreg.org)

**Candidates are responsible for any expenses incurred during this internship.
