24 hour study room

Live-In Policy

In the past, new initiates live in the year following initiation and any year after that until the house is full. If more members wish to live in than there are spaces available, preference is given to members with the highest priority points. You receive priority/points based on your participation in sorority and campus activities and on your class status. Room selection is also based on the priority/points system. If you plan to go abroad during a year you are expected to live in, you must find a member to sublet your lease.
