Live-In Policy

Most people live in the house the year after they pledge, as well as the following year. Most officer positions must live in. If you pledge as sophomore, plan on living in for at least one year. You may choose to live out senior year only if the house is full. We are flexible about those who plan on going abroad but members who study abroad will be responsible for a room fee during that semester.

2012-2013 Housing & Financial Information
