#### Live-In Policy

Officers are elected at the end of the first semester for a two semester term, and Executive Board members are required to live in the chapter house. There is a one year live-in requirement for all sisters. Room selection and parking are based upon participation points. Preference for residence is given to incoming sophomores and Executive Board members. In the event that all incoming juniors cannot be accommodated in the chapter house, the juniors who live out of the house may fulfill their two year commitment by participating in the chapter meal plan with a choice of seven or twelve meals per week. Women who study abroad must provide proof of acceptance into a study abroad program. Sisters who reside in the chapter house for one semester (due to study abroad) pay a 17% surcharge for room and board the semester they are in residence. Seniors pay parlor fees which entitle them to one meal per week. Parlor fees are waived for seniors who elect to participate in a meal plan.
