Freezer, microwaves, snacks and  
beverages

### Live-In Policy

It is the policy of the Zeta Tau Alpha National Housing Corporation to ensure that the chapter house is full to capacity. All Executive Officers are required to live in the house. The procedure for filling the house after EC officers is through a housing lottery. After determining the number of members eligible, there will be a random drawing to determine who will receive a spot in the house. If the house does not fill to capacity, a points system, based off GPA and participation in ZTA and campus activities will be utilized. Those with the most points will be asked first if they would like to live in. If the house remains below capacity, the members with lowest amount of points will be asked to move in. This procedure will begin at the bottom of the list and continue upwards until the house is full.

## 2012-2013 Housing & Financial Information
