*Thank you!*

Dear Friends of Habitat:

Thank you for supporting our building program! Your Mistletoe Philanthropy Donation of \$333 is greatly appreciated. *With your support, we will put smiles on the faces of eight adults and 24 children with the six houses we're building right now!! You have impacted the lives of 32 people by helping them achieve their dream of home ownership.*

Four families have moved into brand new Habitat homes that they helped build during 2003! We've built and sold 56 homes since 1990. The monthly mortgage payments made by our homeowners will help support our efforts to continue building in Washtenaw County.

We are excited as our four Spring houses have been completed and construction is continuing on our two Fall houses. We face constant challenges of acquiring property, developing the land and building the homes, so *your support is essential to our continued success.*

Gratefully,

Sarah Stanton  
Executive Director

*Quote from the mother of a 2002 Habitat family: "I have witnessed for the first time equality. I never felt race or gender as a factor or a roadblock. I felt the same as the person next to me learning how to do something for the first time. Working in partnership with people to solve issues and accomplish tasks. My house is OUR house."*

P.S. *This letter serves as your receipt for Internal Revenue Service purposes for the year 2003. No goods or services were exchanged for this donation. If your employer has a gift-matching program please let us know if you need additional verification of your donation.*
