

SPONSOR PI TAU SIGMA – MICHIGAN PI RHO

Pi Tau Sigma, Michigan Pi Rho chapter, is the Mechanical Engineering Honor Society here at the University of Michigan, and its members are some of the top students in the College of Engineering. The objective of Pi Tau Sigma is to foster the high ideals of the engineering profession, to stimulate interest in coordinating departmental activities, to promote the mutual professional welfare of its members, and to provide opportunities for members to develop valuable leadership skills.

As such, our chapter hosts multiple activities each year to accomplish these objectives. Some of these activities include networking and information sessions, resume critiquing, and volunteer work for various charity events and organizations.

We offer three suggested sponsorship levels for our sponsors: **Blue** (\$300), **Maize** (\$500), and **Platinum** (\$800). These sponsorship levels are detailed below:

Benefits	Blue - \$300	Maize - \$500	Platinum - \$800
Company is invited to host an information session for PTS members during a weekly meeting during the semester (January - March or September - December). Company also gets name listed on PTS website as a sponsor.	+	+	+
Company gets name, logo, and website link on PTS website for one year. In addition, company is sent the PTS member resume book.		+	+
Company is advertised on North Campus (engineering campus) for one semester. The company's logo will be displayed at the site where PTS grills and sells food to students of all majors (high traffic). Additionally, prominent positioning of company's logo on PTS website and meeting agendas.			+

If your company is interested in sponsoring Pi Tau Sigma, please do the following:

1. Gather the information below and email it to pts-bigwigs@umich.edu. If you are interested in scheduling an information session, please inform us and we will work with you to set it up.
