Player Performance Track

Pillars of success part 2

It was great to see all the players out for the complementary putting event using the Sam Puttlab. I hope the putting reports helped players understand how they move and their level of consistency. I will be scheduling another Sam Puttlab event in the middle of August. Check the August newsletter for the Date.

Putting Evaluation

- Measure your putting movements using the SAM puttlab
- Evaluate your ability to sink putts
- Develop a practice plan to improve your weaknesses
- Create a system for reading greens
- Understand the difference between freezing, choking and the yips
- Develop skills to free up your putting stroke and work to eliminate these tendencies

Just a few concepts that came out at the Sam puttlab event

- The timing of your stroke is the glue that holds your mechanics together
 - The timing of the putting stroke is a 2 to 1 ratio (backswing to forward swing at impact)
- This information is based on measurements from over 100 PGA Tour players over a 2 year time frame

On Course assessment tools

- Fairways hit
- Greens in regulation
- Up and downs green side
- Up and downs from the bunker
- Putting ratio per hole and per round

Many web sites have this tracking information free with print outs of your stats. Players must have this information to evaluate their strengths and weakness. With these statistics you can start to develop a plan that you will be able to track. Develop a plan today using The Players Performance Track .

Club Championship Tournament Information

Men's Club Championship

Saturday & Sunday, July 25th & 26th

Saturday & Sunday, August 8th & 9th

The 2009 Men's Club Championship will be held in two portions. The first part, the Matthaei Medal Championship, is scheduled for July 25th and 26th. Participants will be divided into five flights and will play 36 holes of stroke play. The top eight players in each flight will then qualify for the match-play finals on August 8th and 9th. (The 2008 defending Men's Club Champion, Michael Lewis, automatically receives a bid into the match-play portion of the tournament.) **The quarter-final matches will be played during the two-week span between tournament weekends.** The semifinal matches will take place on August 8th, and the championship match on August 9th. **Any eligible golfer of Radrick is eligible for the club championship if they have an established U.S.G.A. index at Radrick Farms.** *Contestants may enter the Matthaei Medal Championship even if they are unable to attend the match-play finals.*

Entry deadline: July 17th

Women's Club Championship

Saturday & Sunday, August 8th & 9th

The 2009 Women's Club Championship will be 36 holes of stroke play held on August 8th & 9th, with **Monday, August 10th as a rain date.** Any eligible golfer with an established U.S.G.A. index at Radrick Farms may participate. Golfers will be divided into flights. The championship flight will play from the white tees, all other flights will play from the red tees. *We hope to have many ladies enjoy the friendly competition. Flights are available for all skill levels!!*

Entry deadline: August 2nd

Senior Club Championship

Monday & Tuesday, August 17th & 18th

This event is two days of stroke play for all eligible golfers of Radrick that are age 50 and over. It will be scratch play within flights to determine champions. Handicaps will be used to determine age bracket winners for 50 to 59, 60 to 69, and 70 plus. We hope to have a great turnout of both **men and women.** **Entry deadline: August 9th**

Applications for the Club Championships are available in the golf shop or online at <http://www.umich.edu/~radrick/events.html>

Got Game?

Or are you like most of us that could use some help? Whether you need it on the tee box, green or some where between, contact Judith for an individual or group lesson. (Lesson series is also available, which includes a playing lesson!)

Lessons are booked through the golf shop (734) 998-7040 or by email to Judith.sachsja@umich.edu
