

Evening of Scenes Proposal Form

See website for due date:

<http://www.rcplayers.com>

In order for your proposal to be considered, you must print out this form, complete it, and attach 2 or 3 copies of your scene with it (enough copies so it can be read aloud by the selection committee) and turn it into the RC Players bulletin board by the deadline.

The scene must be no longer than 10 minutes long; if you can't find anything shorter, trim down a scene to be less than 10 minutes. If you have no directing experience, don't worry, but you should download a copy of the Director's Guide found at the Director Resources link on the RCP website.

Any special casting considerations (cross-, double-, etc)? Why?

On the back of this form, or on a separate sheet of paper, include a brief synopsis of the scene as well as the technical requirements – think minimally because there is virtually no budget and RCP has a wide variety of set furnishings, sound effects, etc available to you). If necessary, include an estimated costs for anything you believe the RCP cannot already provide.

Even though it is NOT A REQUISITE, feel free to list any previous directing experience, if applicable.

[OPTIONAL]

Explain why you are interested in directing this scene and/or working with RC Players.
