

OFFICE OF
University Audits

VALUES ARE TRAITS OR QUALITIES THAT ARE CONSIDERED WORTHWHILE; THEY FORM THE CORNERSTONES OF ALL WE DO AND ACCOMPLISH. WE ARE CONVINCED THAT THE KEY TO CREATING A TRULY GREAT AUDIT DEPARTMENT IS A CONTINUOUS FOCUS ON THE VALUES THAT GUIDE ITS EMPLOYEES' ACTIONS.

These are our core values:

GO Team!

As a united team, we support collaboration, open communication, empowerment, and sharing. We are committed to supporting each other to achieve individual and departmental success.

R-E-S-P-E-C-T

Our relationships with the University community and with each other are characterized by respect. We appreciate individual differences and experiences. We strive to create an atmosphere where everyone feels welcome, included, and valued.

Raising the Bar

We pride ourselves in providing quality, value-added services to the University. As professionals, we are competent in our work, responsive to our clients, and focused on excellence.

Do the Right Thing

We are committed to the highest degree of fairness, honesty, and ethical conduct in the performance of our work. We operate free from bias and maintain objectivity and confidentiality in all that we do.

Outside the Box

We are open to new ideas and have the flexibility to change in ways that better serve us, our customers, and the University. We encourage creativity and innovation.

Lifelong Learners

We support team development by providing education, training, and professional opportunities. We take responsibility for our personal growth to continually improve the quality of our work.

We Are People Too

Work is an important part of life and should be fun. We cheer individual efforts and celebrate accomplishments. We create a satisfying and enjoyable workplace by balancing professional and personal priorities.
