All faculty are welcome to apply to the MBSTP Program by contacting the Director, Robert Kennedy (rtkenn@umich.edu). To be a member of the MBSTP faculty we require that you:

1. Have an active research program that involves Microfluidics, Biosciences, or related disciplines.
2. Agree to place your mentor record on M-TRAIN.
3. Agree to participate in activities such as the seminar and symposium.

To have a student supported by the Training Grant, we require that you agree to:

1. Attend two seminars per year.
2. Attend the Annual Symposium.
3. Ensure that your student complies with the requirements of the Program.
4. Have funding to support the research outside the stipend provided.
5. Agree to participate in the Program through teaching and/or service. Typical involvement may include one or more of the following:
   a. Giving a limited number of lectures for the core course
   b. Helping to evaluate applicants
   c. Giving a seminar for the seminar series
   d. Lead or assist the Journal Club
   e. Serve on the Executive Committee
