President's Corner..

Hello! After a month of classes, back to school meetings and kick off events I am very happy to let you know that OATS is doing very well. A large majority of the athletic training students have confirmed their membership in OATS and their level of participation is already pleasantly overwhelming. Study night had a fantastic turnout and everyone was able to get a head start on reviewing for upcoming exams. Many have expressed an interest in attending this year's MATS conference at MSU at the end of the month. If you are interested in joining us on the trip to East Lansing on Sunday, October 26, please feel free to contact us.

Thank you to those of you who have ordered sweatshirts. And a special thank you to Melissa Pohorence for speaking at our last meeting. We appreciate your taking the time to teach us about self-myofascial release techniques. Thank you to all of the athletic medicine staff, clinical instructors and professors for your continued support.

GO BLUE!
