

The procedure of General Membership Meetings will be as follows, until otherwise notified: Any person present at the meeting may be afforded the opportunity to speak. They shall be called upon in turn by the Chair, where MATC club members will have priority over users or non-affiliated community members, subject to time constraints. Unless the Chair otherwise decides, all persons wishing to speak must be recognized by the Chair before doing so and must address the Chair while speaking. Only Board members may direct questions to the speaker when that speaker has finished and agrees to entertain them. At the Chair's discretion, discussion of any point may be postponed until the meeting reaches a corresponding agenda item. The meeting will proceed according to the agenda and at the Chair's discretion. The Chair reserves the right to postpone discussion, in the interest of time, on any matter, to a subsequent meeting. The Board may call upon attendee's opinions, insights, and comments at any time.
