

M the university of michigan WAKEBOARD TEAM

The U of M wakeboard team, in its second season, is dedicated to advancing wakesports on its campus and in the city of Ann Arbor. Founded by two students with a passion for wakeboarding, the team has grown significantly with new members of all majors and skill levels. We all, though, share one interest - getting on the water as much as possible throughout the year!

We need **your** help!

In order to be able to stay out on the water for seasons to come, the team is looking for support in the form of sponsorships. The primary need is to be able to maintain our boat, obtained with the help of Silver Spray Sports in Fenton. However, any form of sponsorship is welcome!
