1st Annual ∆X Golf Outing

By: Eric Kraft

I would like to invite all the University of Michigan alumni and their families to the First Annual ∆X Golf Outing on Sunday July 25th 2004. This new tradition will be at Pierce Lake Golf Course, which received 4 stars from Golf Digest. Also, an article by Kiel Christianson, for MichiganGolf.com wrote that Pierce Lake Golf Course was, “one of Michigan’s best kept secrets”. For only $50 per person you can become apart of this new tradition which includes 18 holes of golf, a cart, and lunch.

This weekend is significant since the Ann Arbor Art Fair will also be happening. So come and enjoy the art fair on Friday and Saturday and then play 18th holes of golf with the rest of the alumni on Sunday morning before leaving town.

To register for this event, please send a check made out to Delta Chi University of Michigan. The spots for the golf outing are limited, so sign up as soon as possible. Please mark down on your calendars that the deadline for registering is July 1st, 2004.

The course is located just outside of Ann Arbor, near I-94 and the Chelsea exit. For more information about the course please visit:

Also, if there are any other questions or concerns, please contact Eric Kraft, colony “E”, at krafte@umich.edu or at (586) 634-2122

Help ∆X Grow!

The colony is starting its search for new members for next fall semester’s beta class. If any alumni have sons, nephews, or family friends coming to the University of Michigan Ann Arbor campus, please let the colony know. Contact our Recruitment Chair Andy Yen at andyv@umich.edu with any names and contact information. The colony will contact each person individually to get to know them and do what we can to help make their transition from high school to college a successful one.
