Hi everyone! Winter Semester has drawn to a close! Hope the term worked out well for you. Spring is just around the corner - time to have fun...but before we start on our Spring and Summer undertakings, here's a preview of things to come.

### Spring 2002 Forecast

1. **Database**
   
   We would like to be able to contact any Singaporean in Umich at any time. This would serve especially useful in the case of an emergency situation for us to disseminate info from the embassy, and also to account for all Singaporeans here at Umich. Currently, there is no overall database containing ALL Singaporeans' contact information. In the process of collating this database, we would also like to find out more about our members and their interests. Thus, we are embarking on a project to capture ALL Singaporeans, members, and other people connected to SSA in any way, in a database.

   Please take some time and fill in the profile form at the end of this email and reply it to Xiaoqing (xsoh@umich.edu) by April 30.

2. **SSA Logo**

   We have been told by university administration that we cannot continue to use our old SSA logo because it is too similar to the Umich logo. Thus, at present we are without a logo to call our own.

   We seek your help in playing a part to create our new logo. We are extending out invitation to all of you to help create SSA's new logo. Send the logo together with your interpretation of its meaning to Vikram (vsi@umich.edu) by May 18. If your logo and description are on paper and would like to submit them to him, he would be more than willing to meet with you to collect it.

3. **Orientation**

   The orientation program has been gathering momentum in recent weeks, and is getting into full swing! If you would like to help out in any way at all (big or small) just email Zhiyang (ztan@umich.edu). This is our EVENT for the summer and we want you to be involved and have fun with us as we welcome the incoming frehsmen to UMICH! More details on Orientation would be sent out over the course of the holidays! Keep your eyes peeled for more details about orientation.
4) Good luck Seniors!

Congratulations to all our seniors who are graduating and all the best for your future endeavours! You are still welcome to join us in any activity over the summer or even next year if you come back and pay us a visit!

To the rest of us, congrats for making it to the end of this semester! And have a Great Summer!!!
